### REMEMBRANCE DAY 2020

On behalf of the Parish Council, it is with much regret and sadness that, in accordance with both National and Local guidance, it will not be possible to hold our traditional service of Remembrance on Sunday 8th November at the Village War Memorial.

Arrangements have been made for the laying of wreaths in a controlled, safe and respectful manner that comply with social distancing rules.

Details of the arrangements have been provided to those who ordered wreaths through the Parish Office and we would ask that, unless you have been invited to lay a wreath, please do not attend the War Memorial and follow the British Legion Guidance of “**Remember from home**”.

All wreaths will have been laid and attached to the fence in the normal manner by 3pm and we would therefore ask that anyone who wishes to place a wooden cross to remember family members do so after this time.
