The Parish Clerk advised that she had discussed the discrepancies of the HELAA with the Planning Policy and Conservation team at ADC who advised that the information in the HELAA Consultation was slightly misleading and some of it was supplied from old documentation and could be out of date. The Parish Clerk acknowledged that this seems to be more of a fact finding exercise rather than a consultation. It was agreed that the Parish Clerk will rectify the contents of the document in relation to Ferring and forward to the Planning Policy and Conservation team at ADC to enable them to update their information.	
10.	Village Green Play Equipment :- Councillors will recall at the last Full Council Meeting, the Parish Clerk advised that ADC have analysed 17 quotations against the criteria required and have selected a local contractor. As the quotation for the equipment has come under budget, ADC suggests that FPC can select the larger swing and enhance the existing play area to replace some worn out surfacing and some new equipment for the younger users which Councillors agreed to in principle. The Parish Clerk has now met the representative from ADC and carried out a site visit and suggests that members consider the option to install a roundabout. It is important to note that the Parish Clerk is waiting to receive the quotation to replace some worn out surfacing under the swings at the far side of the play area.
