7	<p>New Projects</p> <p>a)Cleaning of the War Memorial: Councillor Stephen Abbott requested Amanda to find out the frequency of cleaning and how much it would cost for the next meeting.</p> <p>Permanent Structure (Statue/Poppies): Councillor Peter Coe produced some ideas of benches etc. Link to be sent to the Parish Office. Consider replacing the bench at the side of the office? It was agreed not to replace the magnolia tree due to the Honey Fungus. Tree Warden Phillip Ellis confirmed that he is currently testing a product that should kill the Honey Fungus.</p> <p>b)Warren Pond replacement pole & rail: Karl Washer produced a quotation to carry out this work. Amanda to send this to Finance & GP Committee in early January 2020.</p> <p>c)Village Green grass cutting 2020: Councillor Stephen Abbott has spoken to Arun to rearrange the grass cutting on the village green. A larger cutter would do the open area of the Village Green and is on a more frequent schedule than the small cutter needed for the areas around the equipment, benches etc. The areas would, therefore, be cut at different times and intervals. The committee agreed to approach ADC to trial this for the 2020 season. It was noted that this would need to be taken into consideration by organisers of activities such as the summer fair.</p> <p>d)Village Green play Equipment: Councillor Peter Coe confirmed a disabled swing could cost approx. £2,000.00 and a roundabout £3,000.00. Grants are available from West Sussex County Community and other areas; Councillor Peter Coe will look into this and report back to the Committee.</p> <p>e)Patterson’s Walk rights of way: It was agreed that this should be reviewed after the car park renovations at the Blue Bird café which have now been completed. Councillor Stephen Abbott to go down and have a look.</p> <p>f) Other Projects: Further to the Village Summer Fair, Councillor Ruth Sims was approached to possibly have a Petanque area on the Village Green. Ruth has not heard back from the lady and therefore the Committee declined to support any progress with this.</p>	<p>PO</p> <p>PO/PC</p> <p>PO</p> <p>SA</p> <p>PC/CR</p> <p>SA</p>
