Ferring Parish Council is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone, and applying the relevant accessibility standards.

Conformance Status

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Website is partially conformant with WCAG 2.1. level AA. Partially conformant means that some parts of the specific content do not fully conform to the accessibility standard with mitigating circumstances:

1. The search field includes both label and placeholder
2. The sidebar includes multiple content sections which while uniquely identified do not have more detailed descriptive names
